D.O. No.564 Dated the Palace, Bangalore, 10th February 1912,

from the Huzur Secretary to the Dewan of Mysore.

His Highness desires me now to address you in the matter of the extention of his services here of Prof.Sano, the Japanese Ju Juitsu expert. The last period expired on 20th January 1912, but as it was inconvenient to settle the matter then Prof.Sano was told that he would be kept on and paid for his services till final decision was come to. His highness has given the case his consideration and he thinks that it would be advisible to extend the period of Prof.Sano's services with us till the end of June 1913. In His Highness' opinion this period will permit of more men being trained out to be Instructors, and classes of instructions being formed also at the different District Head-Quarters. During the last six months or so Prof.Sano can be got to ~~tour~~ Tour round and to inspect the District classes, putting them into thoroughly efficient working condition. I have sounded Prof.Sano and he is agreeable to stay on for a further period required on the existing terms. In case his proposal is -- acceptable to you His Highness would be obliged if you would kindly have the necessary orders early issued about the formation of the District classes. It is understood that a class for the Reserve Police has been formed here since December last but of this I have no official information yet.

5) A proposal from the I.G. of Police to erect a building for the classes at Bangalore is pending orders and it may probably be necessary to provide for buildings at each of the other places also. Besides this the I.G. of Police may wish to suggest any alterations in the original proposals in the light of the experience gained in working the classes at Bangalore & Mysore. Attention is also invited to the last para of Mr. Devaraj Urs' letter of 10.8.11 wherein a possibility of substituting a cheaper teaching staff is suggested. In these circumstances it may, perhaps, be better to call for fresh proposals from the I.G.P. A draft is subd

deficit all Expr which is not absolutely necessary has to be cut down. Assuming that as H.H. has desired the classes will to have to be opened in all the Districts, the charges proposed have to be scrutinized.

19 The Administrative branch has disappeared of the supply of Khaki Uniforms. So this item is saved.

" Contingencies have been proposed to be reduced from Rs 5 to Re 1 per School Even this does not seem to be absn necessary; what is absolutely necessary being met from the Dt Police office grant. To give a separate contingent allotment is to count its Expenditure.

3 For each place a shed and a platform at a cost of 440 Rs each is proposed. In Bangalore they had at first only a platform, the shed was a later addn. If it is possible the shed is not absolutely necessary, it may be dispensed with - The rate viz 440 Rs is that of the Bangalore structure - this As structures can be run up in Districts much cheaper than in Bangalore, this item is susceptible of reduction

I am not sure of this - in some places - cost moderate - this may can remain

Sir,

With reference to your letter No. J.2741/Police 45-11-7 dated 20-3-12 calling for the submission of detailed proposals regarding the establishment of a Jui Juitsu school at each of the District Head Quarters, I have the honour to state as follows:-

"2. It is proposed to start six more new schools, exclusive of those in Bangalore and Mysore, and to locate one at each of the District Head Quarters except at Kolar, the school for which District will be located at Kolar Gold Fields. Accordingly the Deputy Commissioners of the Districts have been addressed to submit early estimates for the preliminary arrangements, such as the putting up of sheds and the construction of necessary platforms. Six sheds and six platforms have thus to be erected, one at each of the different centres, and the probable cost of all these is expected to amount to about Rs. 2640/- at the rate of Rs. 440/- for each shed and platform.

Enclosure No.

Re the detailed proposals regarding the establishment of a Jui Juitsu School at each of the District Head Quarters.

J.H. 24/8/12

GPB—300—1-12-11

3. Soon after the sanction of Government for this proposal is received arrangements will be made to start the schools as early as possible, and officers and constables in each District fit to undergo a course of instruction in Jui Juitsu will be sent to the school in batches of not more than 10, consisting of one Inspector, one Jamedar and eight Daffedars and constables. The term of instruction for every batch is expected to last for six months.

4. There are at present two Inspectors, four Jamedars or Head Constables and six Sergeants and constables, all trained in Jui Juitsu under Professor Sano, available to be posted as instructors. Selection from among these will be made according to the requirements of the Districts and two Instructors will be posted for each District.

5. The officers and men undergoing training will, of course, get the special allowances sanctioned to them in Government Proceedings Nos. J.969-70/Police 45-11-4 and J.2340-1/Police 45-11-6 dated 16-9-11 and 15-2-12 respectively.

6. In this connection, I would urge the necessity of granting special allowances to the Instructors also similar to those sanctioned for the pupils for reasons already submitted in this office letter No.3820/461 dated 26-3-12.

7. The monthly recurring expenditure in the shape of allowances to the instructed in all the six schools, at the rate of 10 officers and men in each school, amounts to about Rs.186/- at the rate of Rs.31/- for each District as detailed in the margin.

For each school.

1.	Inspector at Rs.7/- per month	Rs.7/-
1	Jamedar at Rs.5/- " "	Rs.5/-
3	Daffedars at Rs.3/- " each	Rs.9/-
5	Constables at Rs.2/- " each	Rs.10/-
		Total.Rs.31/-

(Police 11-4) Marked

5

8. The students as well as the Instructors have to be supplied with specially made khakhi suits, each of which cost Rs.4-12-0. Hence the whole cost of Khakhi suits to be supplied to both the Instructors and the instructed in all the six schools will come up to Rs. 342/-. And this expenditure shall recur with every new batch of students, i.e.,once in every six months.

9. Further, a sum of Rs.5/- would be required for every school for contingent expenditure to purchase straw for the platforms etc., besides the stationery, which aggregates to Rs.30/- per month for all the six schools.

10. On further consideration I am of opinion that two schools at Bangalore are unnecessary and that the two may be combined into one with one or two additional Instructors, the classes being held both in the morning and in the evening, separately for the officers and men of the Provincial Special Reserve and Training School, and the District and the City Police as at present.

11. The foregoing proposals are expected to cost an initial expenditure of Rs.2640/- for erecting sheds and platforms and an annual recurring expenditure of Rs.3516/-, details of which are furnished in the margin*. It is not possible to meet even a portion of this expenditure from the Budget allotments already sanctioned and a special allotment has therefore to be sanctioned.

12. Regarding the reappropriation statement called for in para 3 of Government Proceedings No.J.969-70/Police 45-11-4 dated 16-9-11, I beg to state that Government have been pleased to sanction a special allotment of Rs.434-8-10 to meet the cost of temporary shed and platform erected for the schools at Bangalore(Vide Government Proceedings No.J.2963-4/Police176-11-2 dated 6-4-12.

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Government Proceedings No. J. 969-70—Police 45-11-4, dated the 16th September 1911, sanctioning the establishment of two Jui Juitsu classes at Bangalore and one at Mysore.

2. Letter No. 4789—535, dated the 28th May 1912, from the Inspector-General of Police in Mysore, submitting proposals for the establishment of similar schools in other District Headquarters.

With reference to your letter No. J. 2741—Police 45-11-7, dated 20th March 1912, calling for the submission of detailed proposals regarding the establishment of a Jui Juitsu School at each of the District Headquarters, I have the honor to state as follows :—

2. It is proposed to start six more new schools, exclusive of those in Bangalore and Mysore, and to locate one at each of the District Headquarters, except at Kolar, the school for which district will be located at Kolar Gold Fields. Accordingly the Deputy Commissioners of the Districts have been addressed to submit early estimates for the preliminary arrangements, such as the putting up of sheds and the construction of the necessary platforms. Six sheds and six platforms have thus to be erected, one at each of the different centres, and the probable cost of all these is expected to amount to about Rs. 2,640 at the rate of Rs. 440 for each shed and platform.

3. Soon after the sanction of Government for this proposal is received arrangements will be made to start the schools as early as possible, and officers and constables in each district fit to undergo a course of instruction in Jui Juitsu will be sent to the school in batches of not more than ten, consisting of one Inspector, one Jamadar and eight Dafadars and constables. The term of instruction for every batch is expected to last for six months.

4. There are at present two Inspectors, four Jamadars or Head Constables and six sergeants and constables, all trained in Jui Juitsu under Professor Sano, available to be posted as instructors. Selection from among these will be made according to the requirements of the districts and two instructors will be posted for each district.

5. The officers and men undergoing training will, of course, get the special allowances sanctioned to them in Government Proceedings Nos. J. 969-70—Pol. 45-11-4, and J. 2340-1—Pol. 45-11-6, dated 16th September 1911 and 15th February 1912, respectively.

6. In this connection, I would urge the necessity of granting special allowances to the Instructors also similar to those sanctioned for the pupils for reasons already submitted in this office letter No. 3820—461, dated 26th March 1912.

7. The monthly recurring expenditure in the shape of allowances to be instructed in all the six schools, at the rate of ten officers and men in each school, amounts to about Rs. 186 at the rate of Rs. 31 for each district as detailed below:—

	For each school.			
	Rs.			Rs.
1 Inspector at ...	... 7	per month	...	7
1 Jamadar at ...	... 5	do	...	5
3 Dafadars at ...	... 3	do	each ...	9
5 Constables at ...	... 2	do	each ...	10
			Total ...,	31

8. The students as well as the Instructors have to be supplied with specially made khakhi suits, each of which cost Rs. 4-12-0. Hence the whole cost of khakhi suits to be supplied to both the Instructors and the instructed in all the six schools will come up to Rs. 342. And this expenditure shall recur with every new batch of students, *i.e.*, once in every six months.

9. Further, a sum of Rs. 5 would be required for every school for contingent expenditure to purchase straw for the platforms, etc., besides the stationery, which aggregates to Rs. 30 per month for all the six schools.

10. On further consideration I am of opinion that two schools at Bangalore are unnecessary and that the two may be combined into one with one or two additional Instructors, the classes being held both in the morning and in the evening, separately for the officers and men of the Provincial Special Reserve and Training School, and the District and the City Police as at present.

11. The foregoing proposals are expected to cost an initial expenditure of Rs. 2,640 for erecting sheds and platforms and an annual recurring expenditure of Rs. 3,516 details of which are furnished below. It is not possible to meet even a portion of this expenditure from the budget allotments already sanctioned and a special allotment has therefore to be sanctioned.

Judicial and Legislative (Police), dated 17th August 1912.

	Details.	Annual cost. Rs.
1.	Special allowances to the instructed at the rate of Rs. 31 for each school per month	2,232
2.	Khakhi suits for the Instructors and the instructed at the rate of Rs. 57 for each school per term of six months	684
3.	Contingencies at the rate of Rs. 5 for each school per month ...	360
4.	Cost of renewal of straw for the bedding at the rate of two cart-loads for each bedding, the renewal being once in every six months and the average cost of straw per cart-load being Rs. 10 ...	240
	Total ...	3,516

12. Regarding the reappropriation statement called for in para 3 of Government Proceedings No. J. 969-70—Pol. 45-11-4, dated 16th September 1911, I beg to state that Government have been pleased to sanction a special allotment of Rs. 434-8-10 to meet the cost of temporary shed and platform erected for the schools at Bangalore (*vide* Government Proceedings No. J. 2963-4—Pol. 176-11-2, dated 6th April 1912.) A reappropriation statement to meet the special allowances to the pupils during the current year will be submitted through the Comptroller as early as possible.

13. I request that you may be so good as to obtain sanction of Government for all the proposals referred to above so that the schools may be started early.

No. J. 527-36—Police 45-11-11, dated Bangalore, 17th August 1912.

Order thereon.— The proposals of the Inspector-General of Police for opening six additional Jui Juitsu classes are sanctioned with the modification that the grant of a separate contingent allotment for the schools is considered unnecessary as any articles of stationery which may be found absolutely necessary may be got out of the contingent allotment of the several District Police Offices.

2. The Inspector-General is authorised to make acting arrangements in place of the Inspectors and Jamadars deputed to the schools, the acting allowances not exceeding Rs. 30 a month for each school.

3. The question of granting special allowances to Instructors will be dealt with and orders passed thereon separately.

4. The proposals now sanctioned involve an annual expenditure of Rs. 7,956 including an initial outlay of Rs. 2,640 as noted in the margin. Necessary provision has been made in the budget for 1912-13 for all the items of expenditure excepting that on acting arrangements and cost of suits which should be met by reappropriation.
